

APCO | ORLANDO 2016

August 14-17

JOIN ME IN SUNNY ORLANDO

It's a small world after all!

Or more like a small and big world at the same time. At least that's how I feel whenever I attend APCO's Annual Conference & Expo.

Small because you realize that you are not alone in your profession. It's comforting to be surrounded by peers and learn that they have similar goals, struggles and triumphs. It's not every day that you can meet someone from a different county, state or even country that understands your job and the challenges of our industry.

Big because every year I attend the conference I realize how big public safety communications is. It's not just the telecommunicator, the training officer, the first responder, the radio manufacturer or government agencies. It's all of that and more working together to keep our communities safe and respond when there is a crisis.

And there is only one place where you have the opportunity to see all the worlds come together.

APCO 2016, taking place August 14-17 in Orlando, is four days of education, networking, learning, and sharing. I invite you to join me, and hope that you will come away with the same feelings I have.

I look forward to seeing you in Orlando this summer!

Brent Lee
President, APCO International

DISCOUNTED ROOM RATES

APCO has negotiated discounted rates for a limited number of rooms for conference attendees at various Orlando hotels. To take advantage of the discount, you must make reservations through the APCO 2016 website using our designated housing provider — Orchid Event Solutions. Hotel reservations are taken on a first-come, first-served basis. Submit your request as soon as possible for the best chance to get your hotel of choice. See map for hotel locations.
